Electronics Technology
DIRECT & ALTERNATING CURRENT, EET 101T

Instructor: Steven D. Rice

Class Periods

Class periods will be divided into two sessions. A presentation of new topics will be given during the first session. During the second session students will have the opportunity to work on their assignments. During the week sessions students are encouraged to work together in groups and to obtain help from the instructor if necessary.

GRADING

Lab Assignments	20%
End of Chapter Tests	70%
Quizzes	10%

GRADE SCALE

93 to 100	A
85 to 92	B
70 to 84	C
60 to 69	D
59 & below	F

ATTENDANCE

The Electronics Technology Department policies are attached. Students wishing to obtain their best grade for the course will make sure that they attend each class and work session.

DO NOT MISS END OF CHAPTER TESTS!!

TESTS

End of chapter tests and quizzes will be graded as if by a computer with no provisions for partial credit.

A 20 point penalty will be assessed for make-up tests. All make-up tests will be within 3 regular school days or accept a zero.

A 10 point penalty will be applied to your chapter test score until the lab work is done.

Lab assignments are due the day of the test. All labs will be built during lab time and checked off the instructor. Lab quizzes are a strong possibility.

ELECTRONICS DEPARTMENT ATTENDANCE POLICY

Students wishing to obtain their best grade for the course will make sure that they attend each class and work session.

If you are going to be absent for any reason notify the instructor at 243-7670 before the class starts.

If you miss a test without notifying the instructor you will receive a ZERO for that test. Make-up tests any penalty will be at the discretion of the instructor.

If you miss five days or less the lowest end of chapter test will be dropped, excluding zeros.

If you miss ten days or more the final course grade will be dropped one letter grade.

Cell phone ringers will be turned off during lecture.

Monitors will be turned off during lecture.

Eligible students with disabilities will receive appropriate accommodations in this course when required in a timely way. Please speak with me after class or in my office. Please be prepared to provide a letter from the DSS Coordinator.

The University of Montana
College of Technology – West Campus

Electronics Technology Tool List

1. T186 Calculator
1. Engineering Paper
2. Engineering Paper (COT Bookstore)
3. Parts Kit (per semester, per course)
4. Small Sponge
5. Adjustable Pliers
6. Wire Strippers
7. Diagonal Cutters
8. Needle-nose Pliers
9. 1/8" Screwdriver
10. 1/4" Screwdriver
11. Phillips #2 Screwdriver
12. Soldering Iron , 25to 40 watts, 1/16 " point tip or smaller
13. Desoldering Iron
14. Solder Stand
15. Electronic Equipment Kit (COT Bookstore)
16. Ground Strap
17. Tool Box
18. Solder wick
19. Solder
20. Drill bits # 62 and #65
21. (60-40 rosin core, fine)
22. Set of small jumper wires, micro grabber or alligator
23. Pad locks for all lockers

Optional

17. Nut driver
